

TOTEM France's Charter

6 commitments to protect your personal data

Minimization

TOTEM only collects the data that is strictly necessary.

TOTEM only processes the personal data that is strictly necessary to fulfill the contract, and the data required to meet legal obligations.

Specific and legitimate purposes

TOTEM specifies the purposes for which data is processed and adheres to them.

TOTEM explains why your data is processed, and the legal basis for this processing. It will not use the data for any other purpose.

Transparency

TOTEM is completely transparent when processing your data.

You are told about the data collected by TOTEM, and how it processes it.

Confidentiality

TOTEM undertakes to protect and secure your data.

This information is not disclosed to unauthorized people, and you are made aware of any risk to your privacy.

How long data is kept

TOTEM undertakes to limit how long it keeps your data.

TOTEM does not keep your data longer than necessary to achieve the purposes for which it was collected.

Safeguarding your rights

You are entitled to know.

At any time, you can ask TOTEM to identify data it holds and object to it wherever possible.
